Description

Yellowfin YF-76F Fishing Edition upgrade, Extended Cabin is built for serious offshore fishing and long days on the water. The extended cabin layout adds extra protection and usable space while retaining the open fishing-focused deck that makes this Yellowfin such a capable offshore boat. Matched with Yamaha F300HP power, this is a premium plate aluminium fishing package for buyers wanting range, protection and a purpose-built offshore layout.

IN-STOCK PACKAGE INCLUSIONS
