Description

Yellowfin 6200 Cabin Folding HT is a serious offshore fishing boat with the protection and versatility of a folding hardtop cabin layout. Built for anglers who want to head wider and stay comfortable in changing conditions, the spacious self-draining deck provides plenty of room for fishing while the cabin offers valuable shelter and storage. Powered by a Yamaha F150HP four-stroke, this Yellowfin plate boat package combines offshore capability, practical fishing space and a well-equipped layout for long days on the water.
