Suburb	Burpengary East	Engine Make	Yamaha

Description

Purpose-built for serious offshore anglers and long-range adventurers, the Yellowfin YF-76 Extended Cabin Full-Length HT Pack takes an already capable offshore plate boat and elevates it with a custom fabricated hard top that extends all the way to the transom. The result is exceptional all-weather protection, significantly more shaded deck space and a premium factory-style finish without compromising the open cockpit that makes the YF-76 so popular. Whether you're chasing pelagic species offshore, exploring remote islands, heading away for overnight trips or simply spending long days on the water with family and friends, this package delivers outstanding comfort, protection and practicality in every condition.

What truly sets this package apart is the exclusive Full-Length Fabricated Hard Top, custom built to seamlessly continue the factory hard top with matching styling, paint finish and construction. Designed to look like it left the factory this way, the extension incorporates integrated speaker housings, custom rocket launchers, upper and lower side grab rails, a centre grab rail aligned with the factory cabin, and a robust roof structure capable of securely carrying lightweight gear such as camping equipment, watersports gear and fishing equipment. Combined with the Yamaha F300HP, premium Garmin electronics, Minn Kota electric motor, Fishing Edition upgrades and a long list of luxury inclusions, this is a truly unique Yellowfin package built for serious offshore boating without sacrificing comfort or style.

CUSTOM FULL-LENGTH HT PACK INCLUSIONS:

-YELLOWFIN YF-76F EXTENDED CABIN FISHING EDITION - Painted, fully carpeted. Standard factory inclusions including 380L fuel tank, Zipwake trim tabs, extended hard top, self-draining deck, hydraulic steering, live bait tank, transom door, U-Dek flooring, transom cutting board, dive ladder, cabin grab rails and more.
-YELLOWFIN ALLOY TANDEM TRAILER 3500ATM - Heavy-duty tandem alloy trailer with electric-over-hydraulic braking system, designed specifically to suit the YF-76 for safe towing and easy launching.
-YAMAHA F300HP 4-STROKE - Side Concealed Control Box, Fly-By-Wire digital controls, Digital Electric Steering, CL5 Premium touchscreen display, Power Trim & Tilt, Electric Start, SDS Stainless Steel Propeller, Fuel Filter, Workshop fitted & tested, Loom & Control Cables, Dealer Delivery & Training.
-FULL-LENGTH CUSTOM FABRICATED HARD TOP - Custom fabricated to seamlessly extend the factory Yellowfin hard top all the way to the transom. Designed to match the factory styling, paint finish and construction, this heavy-duty extension features upper and lower side grab rails, a centre grab rail aligned with the factory cabin rail, integrated speaker mounts, custom rocket launchers, and a strong roof structure capable of storing lightweight gear such as camping equipment, watersports gear and fishing equipment.
-TWIN GARMIN GPSMAP 8416XSV 16-INCH MULTI-FUNCTION DISPLAYS - Premium dual-screen navigation and fish finding system with GPS antenna.
-GARMIN GMR 18XHD3 RADAR - 4kW radar with bird mode, target tracking and up to 48 nautical mile range.
