F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering systems, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearlrescent white, the F150 model line-up brings a new level of next generation boating.

ADVANCED POWER PLANT

→ 2180cc (Digital Control) or 2400cc (Mechanical Control) engine options.

→ Four-cylinder in-line design delivers excellent fuel efficiency.

→ Integrated Electro-Hydraulic or Integrated Hydraulic Steering options.

→ Built-in kill switch.

→ 2 colour options with raised graphics.*
