

## F150LB Yamaha 4 Stroke 150hp Long Shaft EFI OUTBOARD FOR SALE

OUR PRICE: \$18,080

### Description

F150LB Yamaha 4 Stroke 150hp Long Shaft EFI OUTBOARD FOR SALE

Smooth, trouble-free operation.

Clean running, outstanding fuel efficiency, quiet operation and bucket loads of power.

The F150 features an in-line four-cylinder configuration with a double overhead camshaft and four valves on each cylinder for a smooth exchange of fuel intake and exhaust for more power.

When it comes to quiet, powerful and reliable performance, nothing beats the F150. The solid combination of power and performance makes it incredibly versatile, which is probably why it's been a Yamaha best-seller for years.

The F150 offers incredible performance and amazing value. No wonder they've always been extremely popular for re-powering older boats. Imagine the feeling of powering to your favourite fishing spot faster and more efficiently than you ever thought possible... in your favourite old boat

Brisbane Yamaha has an experienced team of Yamaha-trained service technicians who specialise in outboard fit-outs. We offer exceptional service and have Australia's best Yamaha outboard prices, ask around... we know our customers and we know Yamaha. It is why Brisbane Yamaha is one of Australia's largest Yamaha dealers.

Please note: Yamaha Australia requires that all Yamaha outboards sold must be fitted by the selling Yamaha dealership. This is the only way to protect your warranty and guarantees the best performance from your Yamaha outboard.
