POWER TO IMPRESS

Power To Impress

Powerful, efficient and reliable, the F40 combines the benefits of Yamaha's Multi-Point Electronic Fuel Injection (EFI) system, with a Micro-Processor Controlled System to deliver reliable starting and load shedding, improved fuel economy, incredible mid-range torque, lower emissions, and an overall smoother and quieter operation.

The compact 700cc 2-cylinder marine engine delivers the optimal balance of power, torque and refinement for exceptional versatility in both for water or like handle control applications.

EXCEPTIONAL PERFORMANCE

→ 2-cylinder engine

→ Compact and powerful design with exceptional fuel efficiency

→ Variable timing for low-speed torque boosting

→ Forward control optional multi-function tiller

→ Exclusive VCI coating for maximum corrosion protection

→ Freshwater flushing device for easy and quiet maintenance

→ Compatible with all of Yamaha's premium colour and digital gauges

Description

F40LAYamaha 4 Stroke 40hp Long ShaftEFIOUTBOARD FOR SALE

The new F40LA features the very latest Electronic Fuel Injection system to deliver impressive power and excellent torque.

- Turn key start up first time every time.
- Excellent power throughout the rpm range.
- Superior fuel efficiency.
- Low exhaust emissions.
- Smooth quiet operation.
- Highly reliable.

The sleek low profile design looks great on the back of any boat in this class.

Forward control models come standard with digital gauges and can also be connected to the leading edge Yamaha Digital Network System with fuel management as an optional extra.

Tiller handle models come standard with Yamaha’s Multi Function Tiller Handle that features a state of the art design, easy access to trim and tilt and a variable speed trolling switch.

Brisbane Yamaha has an experienced team of Yamaha-trained service technicians who specialise in outboard fit-outs. We offer exceptional service and have Australia’s best Yamaha outboard prices, ask around... we know our customers and we know Yamaha. It is why Brisbane Yamaha is one of Australia’s largest Yamaha dealers.

Please note: Yamaha Australia requires that all Yamaha outboards sold must be fitted by the selling Yamaha dealership. This is the only way to protect your warranty and guarantees the best performance from your Yamaha outboard.

Available in:

- F40SA- Electric Start, Forward Control, Tilt System - Electric Start, Transom height - Short
- F40LA- Electric Start, Forward Control, Tilt System - Electric Start, Transom height - Long

General Features:

- Turn key start up first time every time.
