Description

F50LB Yamaha 4 Stroke 50hp Long Shaft EFI OUTBOARD FOR SALE

When it comes to performance and reliability nothing beats a Yamaha F50H.

The super efficient EFI system delivers impressive power at high engine speeds and real torque in the mid ranges. Easy starting and quiet operation add to an overall experience that current owners rave about.

- Smooth reliable power.
- Electronic Fuel injection for cleaner, quieter performance.
- Outstanding fuel economy.

Forward control models come standard with digital gauges and can also be connected to the leading edge Yamaha Digital Network System with fuel management as an optional extra.

F50H tiller handle models come standard with Yamaha’s Multi Function Tiller Handle that features a state of the art design, easy access to trim and tilt and a variable speed trolling switch.

Brisbane Yamaha has an experienced team of Yamaha-trained service technicians who specialise in outboard fit-outs. We offer exceptional service and have Australia’s best Yamaha outboard prices, ask around... we know our customers and we know Yamaha. It is why Brisbane Yamaha is one of Australia’s largest Yamaha dealers.

Please note: Yamaha Australia requires that all Yamaha outboards sold must be fitted by the selling Yamaha dealership. This is the only way to protect your warranty and guarantees the best performance from your Yamaha outboard.
