

Haines Hunter 535 Sport Fish + Yamaha F90hp 4-Stroke - Pack 1 for sale online prices

68,955

Description

Ideal for fishos looking for a versatile, trailer-friendly setup with offshore capability, the Haines Hunter 535 Sport Fish brings together proven performance and practical features in a smart package. At 5.35 metres long, this model is easy to tow and launch while offering excellent ride stability and handling thanks to Haines Hunter's deep-V hull design. It's powered by a reliable Yamaha F90HP 4-stroke engine, complete with electric start, power trim and tilt, and an SDS alloy prop to reduce vibration and noise during your run.

This package sits on a tough Easytow trailer rated at 1650kg ATM, featuring galvanised axle, mechanical disc brakes, moulded guards, and a mounted spare wheel for confidence when towing to your favourite spots. The helm is equipped with a Garmin UHD2 75SV combo unit with a 7" display, CHIRP and ClearVü sonar, and detailed Navionics+ mapping for Australia and New Zealand—delivering accurate navigation and fish-finding performance in all conditions. A bimini and envelope system provides shade and shelter that can be neatly folded and stowed when not in use.

Rounding out the setup is a marine-rated battery with isolation switch, motor support block for transport protection, and a full in-shore safety kit including EPIRB, anchor kit, lifejackets, and flares. With 12-month QLD registration for both the boat and trailer included, the 535 Sport Fish is ready to hit the water straight away—ideal for weekend fishers, solo missions, or small families who want real capability without stepping up to a larger rig.
