FOUR-STROKE

F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering systems, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and pearlescent white, the F150 model line-up brings a new level of next-generation boating.
