

Haines Hunter 625 Sport Fish + Yamaha F225hp 4-Stroke - For sale online prices

158,999

Description

Proving that power and performance can still come with family-friendly features, the Haines Hunter 625 Sport Fish is a premium offshore fishing package with comfort and capability in all the right places. Built on a proven hull design with a 6.40m overall length and 2.40m beam, this model brings Haines Hunter's signature ride quality and stability, thanks to the 21° Performance Deadrise Vee (PDV) hull. With a 230L fuel tank and 230HP capacity, it's made for long-range bluewater missions and versatile coastal cruising.

Driving this beast is a Yamaha F225HP 4-stroke, fitted with Digital Electronic Control (DEC), fly-by-wire steering, twin multifunction gauges, and SDS stainless steel prop for responsive, smooth performance at any speed. It's bolted and tested professionally, ensuring reliability and top-tier handling. Sitting on an Alloy Easytow tandem trailer rated to 3100kg ATM, this setup is ready for the highway and the ramp, equipped with mechanical or breakaway brakes depending on spec, galvanised axles and springs, and stainless bearing buddies for ultimate durability.

Loaded with premium inclusions like Zipwake trim tabs for automatic hull balance, a Garmin UHD2 105SV with preloaded Australia/New Zealand charts, a Fusion RA210 marine audio system, and full inshore safety gear with 12-months QLD rego, this boat is ready to go from day one. The setup is made even more practical with an underbunk electric toilet, removable fibreglass bait board, high-pressure deck wash, canopy-style bimini with stainless rod rack, and a spacious transom with door, step and ladder. Whether you're targeting offshore species or taking the family on an extended cruise, the 625 Sport Fish has it all.
