Offshore safety including Epirb, Flares, Sarca anchorA Big Game Boat in a Trailerboat Package

Whether making the run out to the continental shelf to chase marlin or cruising North Queensland reef and island's, the Evolution 652 Apex Predator provides the comfort of a larger game boat in an easy-to-manage trailerboat package.

The massive 2.10m internal measurement at the transom creates maximum fishing space in the self-draining cockpit, while the full-height, walk-through transom has built-in tackle boxes and 80 ltr live bait tank

The Apex Predator is the Walk around cabin model, with Fibreglass Hardtop and transom door

Full hand laid fibreglass construction, Bespoke built, and built tough

This could be the last boat you will buy, the build quality will last forever

The model designation 652, is the actual hull length, if you compare other brands, you need to measure what sits in the water to compare, this boat sits in the same company as 7 to 7.2 mtr boats, the advanced chines create more lift, and give you a soft dry ride, and energy efficiency thrown in
