Description

NEW EVOLUTION 600 TOURNAMENT WITH YAMAHA 200HP FOR SALE

This new Evolution 600 Tournament is the base model but not short on features! Tournament level bespoke built in Melbourne

Full fibreglass construction, not composite  
Fibreglass transom, fibreglass stringers, foam fill stringers and underfloor, making the boat quieter in the water, and the highest rating for safety and floatation  
Well known for their Bespoke hand laid hulls, Evolution has been on top of the food chain in offshore Sports fishing boats, with a build standard not often seen in boats built today  
Massive chines under the hull create lift, energy efficiency and improved performance in a heavy built boat. With fuel economy more important than ever, you need all the help you can get  
Evolutions modern design gives you more fishing space more deck space than any other boat, bring your tape measure with you to see the difference
