

NEW Package , Quintrex Freestyle 630 Our Pack 3 with a F 175 Yamaha

\$107,490

FOUR-STROKE

F175

Yamaha's popular and proven range of F175 Digital and Mechanical Control outboards has been refined with a newly designed case and integrated steering, taking these engines to the next level when it comes to power, reliability and control.

The Integrated Hydraulic Steering system is housed in a neat, sealed cylinder unit, which is built into the transom bracket of the engine, rather than being a third party bolt on component. This results in a simple and clean rigging set up, and an uncluttered edge and transom area, while ensuring the components to the stern are for improved long term durability and reliability.

**APPROXIMATE PERFORMANCE**

- 2700cc four-cylinder engine.
- In-line design delivers excellent fuel efficiency.
- All-new Integrated Hydraulic Steering.
- All-new cowl design.
- Built to last design.
- Choose Digital Electronic Control (DEC) or Mechanical Control (MC).

YAMAHA
