

New Quintrex Freestyle 630 with a F 150 Yamaha Pac 1

\$96,690

FOUR-STROKE

F150

Yamaha's F150 Digital and Mechanical Control outboards now feature integrated steering systems, combining power, reliability and control.

Choose from Integrated Electro-Hydraulic Steering or Integrated Hydraulic Steering, housed neatly within the engine bracket. This results in a simple and clean rigging set-up, and an uncluttered transom area, while exposing less components to the elements for improved long-term durability and reliability.

Available in signature Yamaha grey and prismatic white, the F150 model line-up brings a new level of next-generation boating.

HYPER-RESPONSE™ - Prismatic or Signature

- 270psi (Digital Control) or 20.7psi (Mechanical Control) engine options.
- Four cylinder in-line design delivers excellent fuel efficiency.
- Integrated Electro-Hydraulic or Integrated Hydraulic Steering options.
- Built-in LED lighting.
- 2 colour options with raised graphics.*
