4-Stroke Pack 3 for sale online prices

**FOUR-STROKE**  
**F225**

Next generation features, next generation styling, original reliability.

Yamaha's all-new 16.0D series takes the proven 4.2 litre engine platform to the next level by incorporating technological advancements previously only seen on Yamaha's flagship V8 425hp XTO.

The new F225 not only looks good with it's more aggressive styling, but comes with Yamaha's Thrust Enhancing Reverse Exhaust System, which delivers increased prop grip and thrust for improved maneuvering in docking situations and reversing up to your next big catch.

**ENGINE FEATURES**

- Large 16.0 L 4.2 litre displacement to power large offshore boats.
- Plasma fired sleeves cylinders for reduced weight.
- New eye catching shape and styling.
- Optional Bolt-On Digital Electric Steering (DES).
- Thrust enhancing reverse exhaust.
- Enhanced lower unit for increased durability.
- New 'Total Lift' function for fast and easy lift up or down.
- High output 170A alternator.

Description

Haines Hunter 650 R - Incorporating Haines Hunter's 21° Performance Deadrise Vee (PDV) hull, the 650R delivers superior performance and handling – proven during rigorous testing in both inshore and offshore conditions. The low-profile cabin inherent in every R-Series model adds to the new model's sporty feel and allows excellent vision at the helm, without compromising valuable cockpit space for maximum fishability. Capable of fishing six large adult anglers in comfort, the enormous cockpit (with optional side door) creates an ideal offshore fishing and diving platform, while the huge cabin bunk length of 1.88m provides a welcome escape from the elements or a cavernous storage area for all manner of gear.
