

## Polycraft 300 Tuffy - HULL ONLY PRICE

\$2,885 - HULL ONLY PRICE

### Description

Compact, stable, and built to last, the Polycraft 300 Tuffy Hull is the perfect choice for anglers and adventurers who need a durable, go-anywhere boat. Originally designed as a tender, this tough little vessel quickly gained popularity among fishermen thanks to its incredible stability and shallow draft, allowing easy access to hard-to-reach fishing spots. The latest 300 Tuffy model improves on the original with smart upgrades, including extra storage, a casting deck, and a refined hull shape for better on-water performance.

Designed with practicality in mind, the 300 Tuffy features a non-slip floor and gunwales, making it safe and comfortable for fishing or exploring. The raised-lip storage compartments in the casting deck and rear seats help keep gear dry, while the wide gunwales provide extra space for movement. Additional features include a recessed tow eye, an anchor well with drainage, rod holders, and larger rear steps for easier boarding. The built-in drainage system ensures water is quickly channeled away, keeping the deck drier during use.

Built from tough, UV-stabilized polyethylene, this hull is designed to handle harsh conditions while requiring minimal maintenance. Whether used as a tender or a compact fishing platform, the Polycraft 300 Tuffy Hull delivers exceptional performance, durability, and stability in a small yet highly capable package. HULL ONLY PRICE:
