The classic-looking F60 has been hailed as one of the finest mid-range outboards ever produced. Brilliant fuel economy matched with great torque and power means versatility that is second to none.

Within the F60 is a silky smooth, F90ci, four-cylinder marine engine, that delivers an excellent power-to-weight ratio and exceptional refinement and fuel efficiency.

INCREDIBLE FEATURES

- F90ci, four-cylinder engine
- Award-winning engine design with class-leading power and performance
- Forward control of optional master-slave filter
- Variable loading for low speed fishing
- Exclusive VDC alloy for maximum corrosion protection
- Freshwater flushing device for easy and quiet maintenance
- Compatible with all of Yamaha's premium colour and digital graphics

The Polycraft 450 Drifter Frontrunner (Bowrider), now upgraded with spray chines for an even smoother, drier ride. Perfect for both fishing trips and family days out, this 4.5m polyethylene boat is built for durability, stability, and comfort. Its spacious bowrider seating and carpeted front and rear decks create a relaxing environment, while the added rear deck center well maximizes storage and functionality. The 70L underfloor fuel tank provides extended range, making it ideal for long adventures. Whether you're pulling skiers with the sturdy ski hooks or enjoying the convenience of the folding ladder, this boat is designed to make every outing unforgettable.

This package includes the trusted Yamaha F60HP 4-stroke outboard, equipped with power trim and tilt, electric start, and two multifunctional digital gauges. Dealer-fitted and tested for reliability, it pairs perfectly with the Garmin UHD2 75SV chartplotter/sounder combo, offering preloaded Navionics+ mapping and crisp sonar views for seamless navigation and fishing. The bimini and envelope provide shade from the sun, while the marine battery and isolation switch ensure power and peace of mind on the water. Every detail has been carefully considered, from the bolted-on fuel filter to the alloy prop and control cables, all installed to deliver a top-notch boating experience.

The boat comes ready to tow on an Australian-made Evolution single-axle trailer, custom-designed for Polycraft boats with features like teflon keel pads, adjustable side skids, and submersible LED lights. A spare wheel and carrier are also included for added convenience. With its combination of innovative design, high-quality inclusions, and superior performance, the Polycraft 450 Drifter Frontrunner package offers unmatched value for both boating enthusiasts and families.

PACK 3 INCLUSIONS:

EVOLUTION SINGLE AXLE TRAILER - Custom made and designed for Polycraft Boats ensuring a perfect fit with teflon keel pads and adjustable side skids for precise alignment. Made in Australia using Australian steel. Teflon rear entry guide, Submersible LED lights, and a jockey wheel with swivel bracket

YAMAHA F60HP 4-STROKE - Forward Control with 703 Control Box, 2x Multifunctional Digital Gauges, Power Trim & Tilt, Electric Start, Alloy Prop, Fuel Filter, Workshop fitted & Tested, Bolted on with PVC backing board, Loom & Control Cables, Dealer Delivery & Training
