

Polycraft 480 Brumby Centre/Rear Console + Yamaha F70hp 4-Stroke - Pack 2 for sale online prices

Description

Explore the versatile Polycraft 480 Brumby, available with either a Centre Console or Rear Console design, perfect for anglers and boating enthusiasts alike. This model offers exceptional stability, enhanced by the addition of spray chines to reduce water splash, ensuring a smoother and drier ride in a variety of conditions. Built from Polycraft's durable, UV-stable polyethylene, the 480 Brumby is built to handle rugged waters and provide long-lasting performance, making it ideal for both inshore and offshore adventures.

The package includes a Yamaha F70HP 4-stroke engine, providing reliable power with forward control, electric start, and power trim & tilt for ease of use. The two multifunctional digital gauges offer real-time performance updates, while the trim limit switch helps protect your motor during operation. Additionally, this boat is equipped with a marine-rated battery and isolation switch, offering peace of mind when it comes to power management. For convenience, the factory-fitted bait and fillet board and boarding ladder enhance the overall fishing experience.

Paired with an Australian-made Evolution single axle trailer, designed specifically for Polycraft boats, you get a secure, custom fit with features like teflon keel pads, adjustable side skids, and submersible LED lights. This package also includes a spare wheel and carrier, ensuring you're prepared for any on-road situation. Whether you're headed to the boat ramp or out on the water, this setup is built for ease, safety, and performance. **PACK 2 INCLUSIONS:**

- POLYCRAFT 480 BRUMBY CENTRE/REAR CONSOLE - Available as either Centre Console or Rear Console, Spray chines added

- EVOLUTION SINGLE AXLE TRAILER - Custom made and designed for Polycraft Boats ensuring a perfect fit with teflon keel pads and adjustable side skids for precise alignment. Made in Australia using Australian steel. Teflon rear entry guide, Submersible LED lights, and a jockey wheel with swivel bracket

- SPARE WHEEL AND CARRIER - Includes matching wheel and tyre

- YAMAHA F70HP 4-STROKE - Forward Control with 703 Control Box, 2x Multifunctional Digital Gauges, Power Trim & Tilt, Electric Start, Alloy Prop, Fuel Filter, Workshop fitted & Tested, Bolted on with PVC backing board, Loom & Control Cables, Dealer Delivery & Training

- YAMAHA TRIM LIMIT SWITCH - Prevents the motor from trimming too far back and potentially making contact with parts of the boat

- MARINE BATTERY & ISOLATION SWITCH - Australian made marine rated battery with warranty
