The package includes an Evolution Single Axle Trailer, custom-built for Polycraft boats to ensure a secure fit every time. Made in Australia with high-quality Australian steel, this trailer features teflon keel pads and adjustable side skids for perfect alignment during transport. Submersible LED lights, a teflon rear entry guide, and a jockey wheel with a swivel bracket make it easy to handle and launch, no matter where your adventures take you.

Powered by the Yamaha F70HP 4-Stroke, known for its reliability and fuel efficiency, you'll enjoy smooth operation with electric start, power trim and tilt, and multifunctional digital gauges. The engine comes fitted with a Yamaha Trim Limit Switch to protect the motor from over-trimming, and it's all workshop tested for optimal performance. A marine-rated battery with an isolation switch ensures reliable power every time you're on the water, giving you peace of mind for your day out.
