Description

Experience the versatility and performance of the Polycraft 480 Brumby Side Console, a durable and reliable boat built for serious anglers and recreational boaters alike. This model pairs seamlessly with the Evolution Single Axle Trailer, custom designed specifically for Polycraft Boats. With teflon keel pads and adjustable side skids, this Australian-made trailer ensures a precise fit every time. Plus, its submersible LED lights and swivel bracket jockey wheel offer ease of use both on and off the water, making transport a breeze.

Powering the 480 Brumby is a Yamaha F60HP 4-stroke engine, known for its reliability and efficiency. Equipped with electric start, power trim and tilt, and two multifunctional digital gauges, it delivers smooth handling and performance. The engine comes workshop-fitted, tested, and bolted on with a PVC backing board, ensuring long-lasting durability. With the added Yamaha Trim Limit Switch to prevent over-trimming, along with an Australian-made marine battery and isolation switch, this package offers excellent safety, functionality, and peace of mind for your adventures. **PACK 1 INCLUSIONS:**
