

Polycraft 480 Brumby Side Console + Yamaha F75hp 4-Stroke - Pack 4 for sale online prices

\$47,690

Description

The Polycraft 480 Brumby Side Console with Spray Chines is designed to take on a variety of conditions, offering a smooth and stable ride. This tough, versatile boat is ideal for fishing or family outings, with spray chines that enhance hull performance by reducing splash and improving handling. Paired with the Yamaha F75HP 4-stroke engine, known for its reliable power, fuel efficiency, and quiet operation, this setup delivers impressive performance whether you're cruising, trolling, or heading to your favourite fishing spot. The hydraulic steering upgrade ensures easy handling, even at higher speeds, while the trim limit switch helps protect the motor and boat from damage.

This package includes an Evolution Single Axle Trailer, custom-built for a precise fit with your Polycraft boat. Designed with Australian steel, teflon keel pads, and adjustable side skids, it guarantees secure transport and smooth launching. A spare wheel and carrier add peace of mind on longer trips. Navigating and fishing is made easy with the Garmin UHD2 95SV Chartplotter/Sounder Combo, offering preloaded Australia & New Zealand maps, advanced sonar technology, and a bright, high-contrast display for clear visibility in all conditions.

Additional features like the GME VHF marine radio, marine battery with isolation switch, and Northern Territory edition bimini provide added convenience and safety. For anglers, the factory-fitted bait/fillet board and bow mount thruster plate allow easy setup for electric motors, giving you full control of your fishing experience. With a boarding ladder for easy water access and a robust design, this Polycraft 480 Brumby package is perfect for anyone seeking reliability, performance, and comfort on the water.

PACK 4 INCLUSIONS:

-

POLYCRAFT 480 BRUMBY SIDE CONSOLE - Spray chines added

-
