

Polycraft 530 Warrior Centre Console + Yamaha F115hp 4-Stroke - Pack 1 for sale online prices

\$51,990

Description

The Polycraft 530 Warrior Centre Console is a versatile, rugged boat built for serious anglers and boating enthusiasts. Its deep V-hull design offers superior stability and smooth handling, making it ideal for offshore fishing or cruising through rougher waters. The centre console layout maximizes deck space, providing plenty of room to move while casting or reeling in the big catch. Paired with a custom-built Evolution tandem trailer, perfectly designed for Polycraft boats, launching and retrieving your boat becomes effortless thanks to the teflon keel pads, adjustable skids, and submersible LED lights.

Powering the Polycraft 530 Warrior is the highly reliable Yamaha F115HP 4-stroke engine, offering robust performance with forward control via a 703 control box, making throttle and gear shifts smooth and precise. The engine comes equipped with dual multifunction LAN digital gauges, allowing you to monitor your boat's performance with ease. It features power trim and tilt, electric start, and a durable SDS alloy prop. The Yamaha 704 binnacle upgrade adds a sleek, top-mount control, providing a more refined steering experience. The package is enhanced by hydraulic steering, ensuring effortless handling even at higher speeds.

Completing the setup is an Australian-made marine battery with an isolation switch, ensuring reliable power for all your boating needs. The addition of a Yamaha trim limit switch protects the motor and prevents any unwanted damage. With dealer delivery and training included, this package offers everything you need for worry-free boating, backed by the confidence of top-tier components and craftsmanship. **PACK 1 INCLUSIONS:**

-

POLYCRAFT 530 WARRIOR CENTRE CONSOLE

-

EVOLUTION TANDEM TRAILER - Custom made and designed for Polycraft Boats ensuring a perfect fit with teflon keel pads and adjustable side skids for precise alignment. Made in Australia using Australian steel. Teflon rear entry guide, Submersible LED lights, and a jockey wheel with swivel bracket
