### Description

Ideal for fishing close to shore or exploring quiet backwaters, the Quintrex 310 Dart - Short Shaft keeps it simple and smart for anyone chasing practicality in a lightweight tinnie. Its V-nosed hull glides through calm water and stays steady when at rest, making it one of the most stable boats in its class. Whether you're heading out solo or with a mate, this compact rig delivers a dry ride and solid performance powered by the reliable Yamaha 4hp 4-stroke outboard, complete with a tiller handle and alloy prop. With a manual start and dealer delivery included, it's easy to get going.

The boat sits on a Quintrex Light Alloy Short trailer (749 ATM), which comes fitted with 13-inch galvanized wheels and tyres, a swing-up jockey wheel, motor support bracket, adjustable keel rollers, long skids, and LED lights for smooth launching and towing. The winch is a 5:1 ratio for easy loading and unloading, and there's a forward-facing white light for added safety. This combination is made to move easily and launch fast, making it ideal for quick trips and spontaneous getaways.

Finished with current Quintrex decals, this setup delivers low-maintenance fun and functionality.
