Condition	New	State	Queensland
Suburb	Burpengary East	Engine Make	Yamaha

Description

Built for serious reliability and ready for bigger adventures, the Quintrex 400 Dart - Long Shaft delivers a solid platform for fishing, exploring, or tender duties. With its wide beam and sharp V-nose design, it offers excellent stability and a smooth ride, even in rougher patches of sheltered water. Powered by a Yamaha F25HP 4-stroke outboard, this setup packs a punch with electric and manual start, power trim and tilt, and an alloy prop - making it easy to control and effortless to operate. Dealer delivery and training are also included.

Matched with a Yamaha 24L fuel tank, it comes fully fitted with a water-separating fuel filter, clear inspection bowl, primer bulb, and genuine Yamaha fuel line for extra peace of mind. The motor support block adds protection when towing or storing, and a marine battery with isolation switch ensures dependable starting power every time. Inside, the carpeted floor is built low to maximise deck space while keeping things comfortable underfoot.

Riding on a Quintrex Light Alloy Short trail rated at 749ATM, this package includes galvanized wheels, swing-up jockey wheel, adjustable rollers and long skids, plus LED lights and a 5:1 winch for easy launching. With current Quintrex decals for a clean, updated finish, the 400 Dart combines strength, simplicity, and top-shelf Yamaha power in one easy-to-manage setup. **PACK 2 INCLUSIONS:**

-

QUINTREX 400 DART - Long Shaft

-

QUINTREX LIGHT ALLOY SHORT 749ATM - 13 Inch Steel Galvanised Wheels, 13 Inch Tyres, 2 Alloy Cross Members, 39mm Axle (Round), 50mm Coupling Non Brake. 7 Pin Plug.
