\$24,890

Description

The Quintrex 420 Busta, featuring an unpainted hull, is built for anglers who value simplicity, durability, and practicality on the water. Its robust construction is complemented by an extruded side deck upgrade, adding strength and functionality for a dependable fishing experience on rivers, lakes, and estuaries.

This package is powered by the Yamaha F40HP four-stroke outboard, designed for efficiency and ease of use. The multifunctional tiller handle allows for intuitive control, while power trim and tilt, an electric start, and an alloy prop ensure smooth and reliable operation. Paired with a 24L Yamaha fuel tank featuring a water-separating fuel filter and clear inspection bowl, this setup offers extended operating time and peace of mind during long fishing trips.

Additional inclusions enhance both functionality and comfort. A light alloy trailer, complete with adjustable keel rollers, long skids, and a swing-up jockey wheel, ensures safe and convenient transport. The marine-rated battery with an isolation switch guarantees reliable power, while the motor support block protects the outboard during transit. For added comfort, a bimini and envelope provide shade and shelter, easily folded away when not in use. This well-rounded package offers everything needed for stress-free fishing and boating adventures. **PACK 2 INCLUSIONS:**
