Description

Check out the quintessential fisherman's dream, the QUINTREX 420 RENEGADE SC. This rugged, no-fuss boat is perfect for those who mean serious fishing business. Its unpainted finish gives it a raw, ready-for-action look, and it's equipped with a bow thruster plate for an electric motor, making it not just tough but also agile in the water.

This beauty rides on the QUINTREX LIGHT ALLOY LONG 749ATM trailer, designed for easy handling and long-lasting durability. The trailer features 13 Inch Steel Galvanised Wheels, LED Lights for safety, and adjustable keel rollers and long skids for a secure fit. Its 39mm round axle and 50mm coupling ensure that it can handle the load, while the swing-up jockey wheel and winch make launching and retrieving a breeze.

Powering this beast is the reliable YAMAHA F40HP 4-STROKE engine, offering smooth, efficient performance with features like power trim & tilt and electric start. It comes with a YAMAHA 24L FUEL TANK, complete with a water-separating fuel filter for clean operation. The FAST TAIL HYDROFOIL attached enhances fuel efficiency and improves handling, ensuring you get the most out of your time on the water. Plus, with an extra seat spigot, you can customize the layout to fit your fishing needs or to simply enjoy a day out on the water. This package is a solid choice for anyone looking to make the most out of their boating experience.
