Description

Introducing the Quintrex 420 Renegade TS, a robust and versatile boat that promises adventure with every outing. This tiller steer powerhouse, though unpainted, stands out with its distinctive stripes/decals, adding a touch of personality to your marine escapade. Designed for those who crave both the tranquility of still waters and the thrill of the catch, the Renegade TS is equipped with a Yamaha F50HP 4-stroke tiller, ensuring a smooth, powerful ride. The engine's multifunctional tiller handle, combined with power trim & tilt and electric start, offers an unparalleled boating experience. Additionally, the inclusion of an alloy prop and a fuel filter, all professionally fitted and tested, underscores the boat's commitment to performance and reliability.

Transporting this beauty is hassle-free, thanks to the Quintrex Braked Light Alloy Long 900ATM trailer. With 13-inch steel galvanised wheels and tyres, plus a galvanised axle, it's built to withstand the elements. The trailer's design thoughtfully incorporates adjustable keel rollers and long skids, a forward-facing white light, LED lights, a motor support, and a swing-up jockey wheel, not to mention the winch 5:1 for easy loading and unloading. Its 7-pin plug ensures it's ready to hit the road when you are, making your journey to the water as smooth as your time on it.

For navigational excellence, the Renegade is outfitted with a Garmin UHD2 75SV Chartplotter/Sounder Combo. This advanced system features Garmin Navionics+ mapping for Australia and New Zealand, ensuring you're well-equipped to find the best fishing spots. Its bright, sunlight-readable 9" display, high-contrast vivid color palettes, and comprehensive scanning sonars, including Traditional CHIRP and ClearVü, provide a detailed view of what lies beneath the surface. To further enhance your angling expeditions, the boat includes a marine battery with an isolation switch, a bimini and envelope for protection against the elements, upgraded bow rails with a bow roller for added functionality, and an extra seat spigot, allowing you to tailor the boat's layout to your fishing or leisure needs. This Quintrex 420 Renegade TS isn't just a boat; it's your next adventure waiting to happen.
