Description

Introducing the sleek and robust QUINTREX 420 RENEGADE TS, a masterclass in fishing and leisure boating. Painted in a stunning white with eye-catching decals and stripes, this beauty isn't just about looks; it's built to perform. Powered by a YAMAHA F50HP 4-STROKE TILLER, it combines power with precision. The multifunctional tiller handle, power trim & tilt, and electric start make handling a breeze, while the alloy prop and fuel filter ensure your adventures on the water are smooth and uninterrupted. It's workshop fitted and tested, bolted on with PVC backing board for that extra durability and comes with dealer delivery and training to get you water-ready in no time.

The boat is perfectly paired with the QUINTREX BRAKED LIGHT ALLOY LONG 900ATM trailer, featuring 13 Inch Steel Galvanised Wheels and Tyres for smooth transportation. The galvanised axle, 50mm Coupling, and 7 Pin Plug make it roadworthy, while the adjustable keel rollers, long skids, and forward-facing white light LED lights ensure your boat is carried securely and visibly. The drawbar, motor support, and swing-up jockey wheel, along with a 5:1 winch, add to the convenience, making launching and retrieving your boat as easy as a sea breeze.

For the tech-savvy angler, the GARMIN UHD2 95SV CHARTPLOTTER/SOUNDER COMBO is a game-changer. With Garmin Navionics+ Australia & New Zealand Mapping preloaded, a bright sunlight-readable 9" keyed display, and high-contrast vivid colour palettes, you won't miss a spot. Traditional CHIRP and ClearVü scanning sonars with a Garmin GT56 transducer fitted ensure you're always on top of the game. Additional features like the MARINE BATTERY & ISOLATION SWITCH, BIMINI AND ENVELOPE for those hot sunny days, EXTRA SEAT SPIGOT for customizable seating arrangements, BOW MOUNT THRUSTER PLATE for an electric motor, and a LOW BOW RAILS UPGRADE WITH BOWROLLER make the QUINTREX 420 RENEGADE TS not just a boat, but a companion on your aquatic adventures.
