**Description**

The Quintrex 420 Renegade TS, with its sleek two-tone paint job and striking decals, is a boat that commands attention both on and off the water. This tiller steer marvel is not just about looks; it's built for the angler who demands performance and versatility. Equipped with a Yamaha F50HP 4-Stroke tiller, featuring an electric start, power trim & tilt, and an alloy prop, this boat is designed to glide through the water with ease and precision. The addition of a secondary 50L underfloor fuel tank ensures longer time on the water, chasing those elusive catches, without the constant worry about fuel levels.

Transportation and storage have been thoughtfully considered with the Quintrex braked light alloy long 900ATM trailer, boasting 13-inch steel galvanized wheels and LED lights for safer, more efficient towing. The upgrade to 13" black alloy wheels, along with a matching spare wheel and carrier, adds a touch of sophistication and ensures peace of mind during those long hauls to your favorite fishing spots. The marine battery & isolation switch, along with a motor support block, are essential for maintaining the boat's longevity and performance.

For the tech-savvy angler, the Garmin UHD2 95SV Chartplotter/Sounder Combo is a game-changer, offering vivid displays and advanced sonar capabilities to locate the best fishing spots. And when it comes to staying on those spots, the Minnkota 55-pound Riptide Terrova with i-Pilot® Link™ takes control, allowing for precise positioning and maneuvering. The bimini and envelope provide shelter from the elements, ensuring comfort during those long days on the water. With additional features like an extra seat spigot, bow mount thruster plate, low bow rails with bowroller, and a fully welded top deck & gunnel upgrade, the Quintrex 420 Renegade TS is more than just a boat; it's an angler's dream.

PACKAGE 4 INCLUSIONS:
