

Quintrex 440 Hornet Trophy + Yamaha F60hp 4-Stroke - Pack 1 for sale online prices

\$34,600

Description

Designed with serious fishos in mind, the Quintrex 440 Hornet Trophy is a tournament-style rig built to maximise deck space and casting freedom. With large raised casting platforms at both ends and a wide 2.3 metre beam, this boat gives anglers the stability and room needed for precise casting and all-day comfort. The layout makes it ideal for working lures, targeting structure, or covering banks on lakes and impoundments, with clever storage solutions to keep your deck clean and gear ready.

Powering this Hornet is the Yamaha F60HP 4-stroke tiller, offering smooth handling with a multifunctional tiller handle, power trim and tilt, electric start, and a tough alloy prop. It's fitted and tested in the workshop and mounted securely with a PVC backing board. Backed by an Australian-made marine battery and isolation switch, the system is reliable and ready for long days chasing fish.

Trailing is handled by the Quintrex braked trailer 1098ATM, built with a strong rolled alloy I-beam frame, 13-inch alloy wheels, and disc brakes. Features include adjustable keel rollers, long skids, flippers, a swing-up jockey wheel, and a 5:1 winch for smooth launch and retrieval. With updated Quintrex decals and 12 months of QLD registration included for both boat and trailer, this package is all about function, space, and practical performance where it counts.

****NOTE that some images include the side console model, not the tiller steer model***PACK 1 INCLUSIONS:**
