

Quintrex 440 Renegade PRO CC(Centre Console)+ Yamaha F60hp 4-Stroke - PRO Pack for sale online prices

F60
Mid-Range Master

The class-leading F60 has been hailed as one of the finest mid-range outboards ever produced. Efficient fuel economy combined with great torque and power means versatility that is second to none.

Within the F60 is a silky-smooth, 99cc, four-cylinder marine engine, that delivers an excellent power-to-weight ratio and exceptional refinement and fuel efficiency.

ENGINE FEATURES:

- 99cc four-cylinder engine
- Absorbing engine design with class-leading power and performance
- Forward control for optional multi-function tiller
- Variable timing for low speed fishing
- Exclusive VDC alloy for maximum corrosion protection
- Pre-motor flushing device for easy and quiet maintenance
- Compatible with all of Yamaha's premium colour and digital gauges

ECHOMAP® UHD2 6", 7", AND 9" SV SERIES

7" and 9" models feature the revolutionary 'RealView' technology, which offers a true-to-life view of the water and bottom, making it easier to see what's below the surface. The 7" model is also compatible with the 'LiveScope'™ live scanning system and premium Garmin Network Vision™ connectivity.

KNOW THE WATER BETTER THAN A LOCAL

When it comes to knowing your local water, the 'LiveScope'™ live scanning system is the only one that can provide you with a real-time, 3D view of the water and bottom. This means you can see what's below the surface, making it easier to find fish and other underwater features. The 'LiveScope'™ system is also compatible with the 'LiveScope'™ live scanning system and premium Garmin Network Vision™ connectivity.

Description

Have unmatched versatility with the Quintrex 440 Renegade Pro Centre Console, designed for those who demand performance and reliability. Painted in white, this model boasts the renowned Quintrex Blade Hull design, delivering superior stability and a smooth ride, perfect for diverse water conditions. The boat features fully-welded top decks and gunnels for enhanced durability, complemented by a rod storage pocket and an extra seat spigot, allowing for adaptable configurations to meet your needs.

Matched with a Quintrex Braked Trailer with 13-inch alloy wheels, adjustable keel rollers, and disc brakes, transporting the 440 Renegade Pro is straightforward and secure. The trailer's swing-up jockey wheel and motor support make it easier to handle at the ramp. The package also includes a catch and release bracket, simplifying single-person boat hookups.

Powered by the Yamaha F60HP 4-stroke engine, this boat offers reliable performance with forward control, electric start, and power trim & tilt. The engine setup includes a 703 control box, multifunctional digital gauges, and an alloy prop, ensuring seamless operation. The Garmin UHD2 95SV Chartplotter/Sounder Combo with GT56UHD transducer offers exceptional navigation and sonar capabilities, while the GME GX750B VHF Marine Radio ensure you stay connected and entertained on the water. With features like the bow mount thruster plate and marine battery with an isolation switch, the 440 Renegade Pro is fully equipped for an unrivaled fishing experience.
