Condition	New	State	Queensland
Suburb	BURPENGARY	Engine Make	Yamaha

Description

The Quintrex 440 Renegade Pro Tiller Steer, a standout fishing boat that's designed to deliver an exceptional angling experience. Painted in a sleek white finish with eye-catching decals and stripes, this vessel combines style with functionality. Equipped with a Yamaha F60HP 4-Stroke Tiller, the boat offers a multifunctional tiller handle, power trim and tilt, and an electric start for easy operation. The alloy prop and fuel filter ensure a smooth and efficient ride, while the workshop fitting and testing guarantee reliability. The motor is securely bolted with a PVC backing board, and dealer delivery includes comprehensive training.

This package comes with a Quintrex braked trailer 1100ATM, featuring 13-inch alloy wheels and tyres, four alloy cross members, and a 50mm braked coupling. The trailer also includes adjustable keel rollers and long skids, a 45-square axle, clearance lights, disc brakes, and a durable rolled frame alloy I-beam. A swing-up jockey wheel and a 5:1 winch make launching and retrieving the boat a breeze. Additionally, a spare wheel and carrier with a matching tyre ensure you're prepared for any journey.

Enhancing your fishing setup, the package includes a Garmin UHD2 95SV Chartplotter/Sounder Combo with preloaded Garmin Navionics+ Australia & New Zealand Mapping. The bright, sunlight-readable 9" display, high-contrast vivid colour palettes, and traditional CHIRP and ClearVü scanning sonars provide unmatched clarity and detail. The transducer upgrade to GT56UHD adds ultra-high-definition ClearVü and SideVü scanning sonars. The Minn Kota 55-pound Riptide Terrova with i-Pilot® Link™ Integrated GPS Trolling System, Spot-Lock, AutoPilot™, and a digital maximizer ensures precise control and longer run time. The marine battery with isolation switch and a bow mount thruster plate complete this comprehensive angler's package
