Whether you're navigating the serene lakes or challenging estuaries, the 440 Renegade promises an exhilarating experience with its robust design and superior handling.

At the heart of this fishing vessel is the powerful Yamaha F60HP 4-Stroke engine, renowned for its reliability and efficiency. Not to be overlooked, the Quintrex Braked Trailer is engineered for ease of use and durability, featuring 13 Inch Alloy Wheels, LED Lights, and a Swing Up Jockey Wheel, making transport as smooth as your time on the water. For navigational excellence, the Garmin UHD2 95SV Chartplotter/Sounder Combo with Garmin Navionics+ mapping and a GME GX750B VHF Marine Radio keeps you on course and in touch. And for those long days under the sun, the Bimini and Envelope offer much-needed shade and protection.
