Description

The Quintrex 440 Renegade Tiller Steer sets the standard for fishing enthusiasts looking for a robust and versatile vessel. Unpainted and boasting an aesthetically minimalist design, this boat is a blank canvas ready for your personal touch. At its heart lies a reliable Yamaha F60HP 4-Stroke Tiller, offering exceptional power and efficiency. This engine ensures smooth navigation through a variety of water conditions, making it ideal for both tranquil lake fishing and adventurous river exploring. The tiller steering system provides direct and responsive control, putting you in complete command of your boating experience.

Enhancing its functionality, the Quintrex 440 Renegade comes equipped with a Garmin ECHOMAP™ UHD2 75sv Chartplotter/Sounder Combo. This state-of-the-art navigation tool combines detailed chart plotting capabilities with advanced sonar functionality, ensuring you stay on course while easily locating the best fishing spots. The boat's 50L underfloor fuel tank optimizes space and maintains the sleek design, providing ample fuel capacity for extended trips on the water. For added convenience and safety, the boat includes a high-quality marine battery with an isolation switch, essential for maintaining electrical systems and ensuring reliable starts.

Completing this impressive package is the Quintrex Braked Trailer 1098ATM, designed for easy towing and launching. The bow mount thruster plate is ready for an electric motor installation, enhancing maneuverability in tight fishing spots. Additionally, the extra seat spigot and live bait tank cater perfectly to anglers, providing comfort during long hours on the water and keeping your bait fresh and ready. The Quintrex 440 Renegade Tiller Steer is more than just a boat; it's a trusted companion for all your fishing adventures.
