Whether you're navigating the calm waters of a lake or the challenging conditions of the coast, the Renegade's design ensures stability and control.

Trailing is a breeze with the Quintrex Braked Trailer, featuring 13-inch alloy wheels, LED lights, and a swing-up jockey wheel for easy maneuvering. The trailer's design includes adjustable keel rollers and long skids, ensuring your Renegade is secure and supported on any trip. The Yamaha F60HP 4-Stroke Tiller motor complements this boat perfectly, offering electric start, power trim & tilt, and a multifunctional tiller handle for seamless operation. Paired with a Garmin UHD2 75SV Chartplotter/Sounder Combo, you're equipped with state-of-the-art navigation and fish finding capabilities, ensuring a successful day on the water.

For those sunny days, the Bimini and Envelope provide much-needed shade and shelter, easily folding away when not in use.
