

## Quintrex 460 Renegade CC(Centre Console) + Yamaha F60hp 4-Stroke - Pack 1 for sale online prices

### Description

Designed for fishos who want simplicity, space, and strength, the unpainted Quintrex 460 Renegade Centre Console is a practical all-rounder ready for anything from creek flicks to bay missions. Its Blade Hull offers a dry, stable ride even when the conditions turn rough, while the centre console layout gives you full walkaround access for chasing fish from bow to stern. A low-profile carpeted floor maximises deck space and keeps the layout clean and efficient, ideal for solo or two-up fishing trips.

This setup is matched to a braked 1100ATM Quintrex alloy trailer with 13-inch wheels and tyres, adjustable keel rollers and long skids, flippers, LED lights, swing-up jockey wheel, and a rolled I-beam frame that’s built tough for regular towing. Launching and retrieving is made easy with the 5:1 winch and loader-friendly design. At the heart of the rig is a Yamaha F60HP 4-stroke, known for its reliability and fuel economy. The engine comes fully workshop-fitted with electric start, power trim and tilt, twin digital gauges, alloy prop, and is mounted with care using a PVC backing board.

Also included is a marine-grade battery with isolation switch, Quintrex’s current decals, and 12 months of Queensland registration for both boat and trailer. With its uncluttered design, smart layout, and dependable Yamaha power, the 460 Renegade CC is made to get you on the fish fast—and keep you there longer.
