Description

Dive into your next adventure with the Quintrex 460 Renegade SC, a robust and versatile boat that's perfect for those who live for the thrill of the catch or the joy of a day out on the water. This model comes unpainted, offering a raw, authentic look that appeals to purists and enthusiasts alike. Powered by a Yamaha F60HP 4-stroke engine, which includes forward control with a 703 control box, 2x multifunctional digital gauges, power trim & tilt, and electric start, this boat is all about performance and ease of use. The alloy prop and fuel filter, along with a comprehensive dealer delivery and training package, ensure you're well-equipped for both leisure and sport.

The boat sits atop a Quintrex braked trailer, designed with 13-inch alloy wheels and tyres, LED lights, and disc brakes for smooth, secure transport to your favorite spots. The trailer features an adjustable keel roller and long skids, making loading and unloading a breeze. Safety and convenience are further enhanced by the marine battery & isolation switch, motor support block to prevent excessive loads on the tilt assembly, and a bow mount thruster plate for those considering an electric motor upgrade. Plus, the extra seat spigot offers flexible seating arrangements, allowing you to tailor the boat's layout to meet the day's needs, whether you're fishing, exploring, or simply relaxing on the water.
