Description

The Quintrex 460 Renegade SC, a masterpiece in the world of fishing and adventure boats, painted in a sleek white that catches the eye. This remarkable vessel comes equipped with a Yamaha F70HP 4-Stroke engine, ensuring a powerful yet smooth ride across the water. The engine's features, such as forward control with a 703 control box, multifunctional digital gauges, power trim & tilt, and electric start, make it a top choice for both novice and experienced boaters. The alloy prop and fuel filter, along with the professional workshop fitting and testing, ensure reliability and performance. To top it off, the motor support block adds an extra layer of protection, preventing the motor from tilting excessively and safeguarding the tilt assembly.

The boat is paired with a Quintrex braked trailer, designed for easy transport and durability. The trailer boasts 13-inch alloy wheels, LED lights, disc brakes, and adjustable components like keel rollers and long skids, making it a breeze to handle both on and off the road. The swung-up jockey wheel and winch contribute to its convenience, ensuring your boating adventures start without a hitch. The attention to detail in the trailer's design, from the rolled frame alloy I-beam to the forward-facing white light, highlights the quality and thoughtfulness Quintrex puts into every aspect of their boats.

For navigational excellence, the Quintrex 460 Renegade SC features a Garmin UHD2 75SV Chartplotter/Sounder Combo, offering bright, sunlight-readable displays and high-contrast color palettes for clear visuals. The inclusion of traditional CHIRP and ClearVü scanning sonars, along with a Garmin GT56 transducer, ensures precise navigation and fish finding. Communication on the water is made reliable with the GME GX750B VHF Marine Radio, featuring a compact design, large LCD, and waterproof capabilities. Additional amenities like the Australian-made marine battery with isolation switch and extra seat spigot for customizable seating configurations make this boat a versatile and indispensable companion for any fishing expedition or leisurely cruise on the water.
