Description

In the market for a boat? The Quintrex 460 Renegade TS, a true testament to adventure on water that refuses to compromise on performance or style. This boat, sitting proudly on a Quintrex Braked Trailer 1100ATM, boasts 13-inch alloy wheels and a host of features designed to make towing both secure and effortless. From the 4 alloy cross members to the LED lights and the swing-up jockey wheel, every detail has been meticulously considered for the avid boater. The trailer also features disc brakes and adjustable keel rollers among its many attributes, ensuring that your journey from home to the water is as smooth as your time on it.

At the heart of this vessel's performance is the Yamaha F60HP 4-Stroke engine, renowned for its reliability and power. The engine comes fully equipped with a forward control with a Multifunctional tiller handle, electric start, and alloy prop, among other features. It's workshop fitted and tested, ensuring peak performance from the moment you hit the water. The inclusion of a motor support block is a thoughtful touch, preventing the motor from returning to the vertical position and safeguarding the tilt assembly from excessive loads.

For navigational excellence, the Quintrex 460 Renegade TS is kitted out with a Garmin UHD2 75SV Chartplotter/Sounder Combo. With Garmin Navionics+ mapping for Australia and New Zealand preloaded, a bright 9" sunlight-readable display, and advanced sonar capabilities, you're equipped to find the best spots with ease. The boat's layout is easily customizable to suit different activities thanks to the extra seat spigot and a bow mount thruster plate for an electric motor. A marine battery with an isolation switch ensures that you're powered up for adventure whenever the water calls. Whether you're angling for the catch of the day or simply cruising with friends, the Quintrex 460 Renegade TS is your gateway to unforgettable marine experiences.
