Description

The Quintrex 481 Cruiseabout PRO is a stylish and versatile boat that blends leisure with performance, making it perfect for family outings and water sports. The PRO model comes in a sleek painted white finish, enhancing its contemporary look while offering durability on the water.

Equipped with a powerful Yamaha F90HP 4-Stroke engine, the 481 Cruiseabout PRO ensures smooth and efficient navigation. This engine setup includes forward controls, a 703 control box, multifunctional digital gauges, power trim and tilt, and electric start capabilities. Its SDS alloy prop and fuel filter provide reliability and ease of use, while the motor support block helps maintain the engine's position and reduces stress on the tilt assembly.

The Quintrex Braked Trailer 1298ATM complements the boat, featuring 13-inch alloy wheels and tyres, adjustable keel rollers, a robust 50mm coupling with 2-tonne braking capacity, and clearance lights for safe and easy transport. It also includes a spare wheel and carrier, a catch and release bracket for effortless single-person boat launch, and LED lights to ensure visibility and safety.

This boat is well-outfitted with practical features like a bimini and envelope with front and side clears for weather protection, a transom door for convenient access, and ski hooks and a ski tube rack for water sports enthusiasts. Additionally, the Garmin UHD2 75SV Chartplotter/Sounder Combo with Navionics+ mapping offers advanced navigation and sonar capabilities, while the GT56UHD transducer upgrade provides ultra-high-definition sonar imaging. The marine battery with an isolation switch ensures reliable power, and the live bait tank adds to the boat's functionality for fishing adventures.

Ideal for both relaxing days on the water and more active pursuits, the Quintrex 481 Cruiseabout PRO delivers a comprehensive package of performance, safety, and comfort. PRO PACK INCLUSIONS:
