Description

Introducing the Quintrex 490 CC, a robust and versatile center console boat that promises to be your reliable partner for all your fishing and boating adventures. This model, though unpainted, stands out for its sheer functionality and build quality, making it a blank canvas ready to be personalized to your taste. The 490 CC's design focuses on providing a stable and spacious platform for anglers and boaters alike, ensuring comfort and ease of movement around the entire boat.

The package includes a Quintrex braked trailer designed to offer superior transportability and convenience. With features such as 13-inch alloy wheels and tyres, 4 alloy cross members, a 50mm coupling braked system capable of handling up to 2 tonnes, and LED lights for safety, this trailer is engineered for ease of use and durability. Adjustable keel rollers and long skids make boat launching and retrieval a breeze, while the forward-facing white light and jockey wheel swing up add to the functionality, ensuring your boat is always ready to hit the water.

Powering this vessel is a Yamaha F70HP 4-stroke engine, renowned for its reliability and performance. The engine comes with forward control with a 703 control box, two multifunctional digital gauges, power trim & tilt, and an electric start, providing a seamless boating experience. Upgrades like hydraulic steering enhance maneuverability, and the Garmin UHD2 75SV Chartplotter/Sounder combo with preloaded Garmin Navionics+ for Australia & New Zealand ensures you navigate the waters with precision. Additionally, the marine battery & isolation switch guarantees your adventures are powered throughout. Whether you're chasing the catch of the day or exploring new waters, the Quintrex 490 CC is equipped to bring your boating dreams to life.
