

Description

Designed for serious anglers, the Quintrex 490 Centre Console is built tough with an unpainted finish that showcases its rugged durability. The wide beam and open deck layout provide a stable fishing platform, while the centre console design ensures 360-degree accessibility for casting and reeling in your next big catch. Equipped with a raised casting platform, multiple rod holders, and ample storage, this boat is ready for both inshore and offshore adventures.

Paired with a Quintrex braked trailer (1298ATM), this package makes transport easy with 13-inch alloy wheels, adjustable keel rollers, disc brakes, and a rolled frame alloy I-beam for strength and reliability. A swing-up jockey wheel, LED lights, and a winch complete the setup, ensuring smooth and secure towing.

Powered by a Yamaha F75HP 4-stroke, this package delivers performance with electric start, power trim and tilt, and an SDS alloy prop for smooth operation. The hydraulic steering upgrade enhances handling, making long trips effortless. A Garmin UHD2 95SV chartplotter/sounder combo with preloaded Garmin Navionics+ mapping provides high-contrast sonar imaging for pinpoint accuracy on the water. The Australian-made marine battery with an isolation switch ensures reliable power, while the console rod rack offers space for five rods. An extra seat spigot allows for flexible seating configurations, completing this well-equipped fishing setup.PACK 2 INCLUSIONS:
