### Description

The Quintrex 490 Pro Centre Console is a serious fishing machine, built tough with an unpainted finish that highlights its rugged durability. Designed for anglers who need a stable and spacious platform, this model features a fully welded top deck and gunnel upgrade for extra strength. The open deck layout provides 360-degree fishing access, while the rod storage pocket and additional seat spigot allow for flexible configurations to suit different fishing styles.

Paired with a Quintrex braked trailer (1400ATM), this setup ensures hassle-free transport with 13-inch alloy wheels, adjustable keel rollers, and a rolled frame alloy I-beam for superior strength. The included spare wheel and carrier add peace of mind on long trips, while the catch and release bracket makes solo boat retrieval at the ramp quick and easy.

Powering this package is the Yamaha F90HP 4-stroke, featuring electric start, power trim and tilt, and an SDS alloy prop for smooth, quiet operation. The Garmin GPSMAP® 953XSV chartplotter/sounder combo, upgraded with a GT56UHD transducer, delivers ultra-high-definition sonar and advanced mapping. A Fusion RA60N sound system with marine-grade speakers provides onboard entertainment, while the GME GX750B VHF marine radio ensures clear communication. An Australian-made marine battery with an isolation switch guarantees reliable power, rounding out this high-performance fishing package. PRO PACK INCLUSIONS:
