Hull Style	Single	Hull Type	Aluminium
Power Type	Power	Stock Number	Q490RSCPPRO-0325
Condition	New	State	Queensland
Suburb	Burpengary East	Engine Make	Yamaha

Description

The Quintrex 490 Renegade Pro Side Console is built tough for serious anglers who demand durability, stability, and performance. With an unpainted finish and a fully welded top deck and gunnel upgrade, this rugged fishing machine is ready for both inshore and offshore adventures. The spacious open deck provides excellent fishability, while the side console design offers clear visibility and easy maneuverability. An extra seat spigot allows for flexible seating configurations, ensuring comfort no matter how you fish.

Paired with a heavy-duty Quintrex braked trailer (1400ATM), this setup is designed for hassle-free transport, featuring 13-inch alloy wheels, adjustable keel rollers, and a rolled frame alloy I-beam for maximum durability. The spare wheel and carrier add extra security for long trips, while the catch and release bracket makes single-person launching and retrieval a breeze. The motor support block helps protect the tilt assembly during transit.

Powered by a Yamaha F90HP 4-stroke, this package delivers smooth, efficient performance with electric start, power trim and tilt, and an SDS alloy prop for quiet operation. The Garmin UHD2 95SV chartplotter/sounder combo, upgraded with a GT56UHD transducer, offers ultra-high-definition sonar imaging and detailed Garmin Navionics+ mapping. The GME GX750B VHF marine radio ensures clear communication, while the Mega Chopper cutting board provides built-in storage, rod holders, and a durable bait-prep surface. An Australian-made marine battery with an isolation switch completes this high-performance package, making it a top choice for serious fishing enthusiasts.

Images used are of the standard model, not the PRO model. For PRO model inclusions, see features list.PRO PACK INCLUSIONS:
