[illegible]

Built tough for coastal waters and inland runs alike, the Quintrex 490 Side Console (SC) Unpainted is a versatile fishing rig with plenty of space and grunt to match. Backed by the strength of 4mm bottom sheets and a wide beam, this boat offers a rock-solid fishing platform while keeping the layout clean and functional. It's powered by a fuel-efficient Yamaha 75HP 4-stroke featuring electric start, power trim and tilt, and a forward control system with digital gauges, giving you dependable performance and intuitive control at the helm.

This setup includes a Quintrex Braked Trailer 1298ATM with a rolled I-beam alloy frame, LED lighting, alloy wheels, loader cradle, dual and single adjustable keel rollers, and disc brakes. On the dash, you'll find a Garmin UHD2 75SV chartplotter/sounder combo with a 9-inch sunlight-readable display and preloaded Garmin Navionics+ mapping for Australia and New Zealand. A fitted Garmin GT56 transducer delivers sharp sonar detail to help you lock onto structure and target species with precision.

Package highlights include an Australian-made marine battery with isolation switch, extra seat spigot for layout flexibility, and full 12-month QLD registration for both boat and trailer. Safety gear is ready to go with four PFDs, anchor kit, LED torch, flares, and more. Ideal for anglers chasing serious functionality in a clean, no-fuss package, the 490 SC delivers strength, comfort, and fishing-focused features in one well-rounded rig.
