Description

****Dive into Adventure with the Quintrex 500 Fishabout****

Unveil the thrill of the waters with the Quintrex 500 Fishabout, a vessel designed not just for fishing enthusiasts but for anyone looking to make waves. With its sleek, painted white exterior complemented by striking stripes and decals, this boat stands out on any water. The heart of this marine marvel is the Yamaha F75HP 4-stroke engine, ensuring a blend of power and smoothness, with features like Forward Control, Power Trim & Tilt, and Electric Start. Not to forget, the SDS Alloy Prop and a workshop-fitted fuel filter, guaranteeing reliability and efficiency.

The Fishabout is not just about power; it's about experiencing the water in comfort and style. Equipped with a GARMIN UHD2 75SV CHARTPLOTTER/SOUNDER COMBO, it promises unmatched navigation and fish finding with its bright, sunlight-readable 9" display and advanced sonar capabilities. Communication is seamless with the GME GX750B VHF MARINE RADIO, offering crystal clear connectivity and durability.

But that's not all. This package includes a quintessential Australian-made marine battery with an isolation switch, ensuring safety and longevity. The bimini and envelope provide shelter from the sun, making those long days on the water more enjoyable. Add in ski hooks, cargo/luggage netting under the cockpit, and an upgrade to cockpit lights and driver & passenger seats, and you've got a boat that's as comfortable as it is capable.

Rounding off this exceptional package is the Quintrex braked trailer, designed for easy transport and durability with its 13 Inch Alloy Wheels, LED lights, and a winch for convenience. Plus, a spare wheel and carrier ensure you're always prepared.

Whether you're chasing the catch of the day, exploring new waters, or simply enjoying the tranquility of the ocean, the Quintrex 500 Fishabout is your gateway to unforgettable maritime adventures.**PACK 2 INCLUSIONS:**
