

## Quintrex 500 Top Ender + Yamaha F90hp 4-Stroke - Pack 2 for sale online prices

\$57,790

### Description

The Quintrex 500 Top Ender, painted in white, is a versatile and durable fishing boat designed for both recreational and serious anglers. Equipped with a Quintrex Braked Trailer (1298ATM), it offers reliable transportation with 13-inch alloy wheels, adjustable keel rollers, and a 50mm braked coupling for secure towing. The boat includes practical features like dual and single adjustable keel rollers and long skids, ensuring smooth and easy loading and unloading. Built with an alloy I-beam frame and supported by a motor cradle, the trailer is well-suited for the boat's weight and size.

Powered by a Yamaha 90HP 4-Stroke engine, this boat delivers excellent performance, featuring power trim and tilt, electric start, and multi-functional digital gauges for convenience. The motor comes workshop-fitted, with PVC backing for protection, and includes a motor support block to prevent unnecessary strain on the tilt assembly. The Garmin UHD2 95SV Chartplotter/Sounder Combo adds modern navigation and sonar capabilities, providing a 9-inch bright, sunlight-readable display and preloaded Garmin Navionics+ mapping for Australia and New Zealand.

For added comfort, the package includes a bimini and envelope for shade and protection, along with a bow mount thruster plate for future upgrades like an electric motor. Additionally, the marine-rated battery with isolation switch and dual cockpit lights provide essential onboard power and visibility, making the Quintrex 500 Top Ender an ideal choice for any fishing enthusiast. **PACK 2 INCLUSIONS:**
