\$64,650

Description

Set up by our experts as a Pack 1, the Quintrex 510 Frontier SC is a tough little Aussie fishing rig built for serious time on the water. The Apex Hull gives it extra stability, better handling, and a bit more room inside, while the raised sides and front casting deck make it easy to fish all day without feeling cramped.

Power comes from a Yamaha F90HP four-stroke, giving you smooth, quiet performance with electric start, trim and tilt, and a stainless SDS prop. It's a lightweight, reliable combo that's easy to launch, tow, and handle solo if needed. On the trailer side, the Quintrex alloy setup is built for stress-free launching with rollers, skids, and LED lighting all sorted.
