

Quintrex 510 Frontier SC + Yamaha F90hp 4-Stroke - Pack 1 for sale online prices

\$64,650

Description

The Quintrex 510 Frontier SC in white is a compact fishing weapon built to handle tough conditions while delivering comfort and stability. At 5.08 metres long with a 2.27-metre beam, it's powered by the innovative Apex Hull—providing increased internal space, a smoother ride, and better grip while turning. With raised side decks, a wide front casting platform, underfloor storage, and a clean side console layout, this model is perfect for chasing fish in lakes, estuaries, or inshore coastal waters.

This package includes a Quintrex Braked Trailer 1298ATM, designed with a rolled alloy I-beam frame and 13-inch alloy wheels. It's loaded with practical features like dual and single adjustable keel rollers, long skids, a loader cradle, and motor support. With LED lights, flippers for added hull support, a swing-up jockey wheel, and a 5:1 winch, launching and retrieving is easy and reliable.

Powering the 510 Frontier is a Yamaha F90HP 4-Stroke—a trusted performer for lightweight handling and quiet operation. With electric start, SDS alloy prop, power trim and tilt, and dual multifunctional digital gauges, the motor is workshop fitted and ready to go. A marine-rated battery and isolation switch are included, along with updated Quintrex decals and 12 months QLD registration for both boat and trailer—making this package a smart, capable choice for serious fishing and everyday boating. **PACK 1 INCLUSIONS:**
