Description

Step into the world of premium fishing with the Quintrex 510 Hornet Pro, painted in a sleek white finish. This model offers a balanced blend of performance and practicality, making it perfect for both casual anglers and serious fishing enthusiasts. Powered by a robust Yamaha F130HP 4-stroke engine, this boat is equipped with a forward control system, 703 control box, and dual multifunctional LAN digital gauges. The Yamaha engine's electric start, power trim and tilt, and SDS alloy prop ensure smooth handling and optimal performance on the water. This package includes a Quintrex braked trailer with 13-inch alloy wheels, disc brakes, and adjustable keel rollers, providing ease and safety in transport.

The 510 Hornet Pro is not just about power; it's also equipped with high-end electronics like the Garmin GPSMAP® 8412XSV chartplotter and sounder combo. This device features a full HD in-plane switching display and preloaded Garmin Navionics+ Australia & New Zealand Mapping, perfect for navigating and exploring new fishing spots. The GT56UHD transducer upgrade provides ultra-high-definition ClearVü and SideVü scanning sonars, offering unparalleled clarity and detail beneath the water's surface.

Comfort and convenience are also at the forefront with features like a bimini and envelope for shade, a live bait tank, and multiple rod and drink holders. A spare wheel and carrier, catch and release bracket, and marine battery with isolation switch round out this comprehensive package, ensuring you're fully equipped for a day of fishing or cruising. The Quintrex 510 Hornet Pro is a complete solution for those looking to explore waterways with style and efficiency
